Research Project 7.5 credits A7004A

Forskningsprojekt

Second cycle, A7004A

Education level	Grade scale	Subject	Subject group (SCB)
Second cycle	G U 3 4 5	Arbetsvetenskap	Work Science and Ergonomics

Entry requirements

At least 180 ECTS academically credits of which at least 15 ECTS in Work Sciences for example A0011A, A7008A, A0013A, P0006A, P0053A, P0062A, S0016A, S0028A, S0051A or equivalent.

Selection

The selection is based on 30-285 credits

Course Aim

After completing the course the student shall have basic knowledge of what research is and how research is organized.

Contents

The student shall together with researcher/lecturer take part in a research project at the department. The research project can be of theoretically and/or applied character. The area varies a lot e.g. development of organization, product development, processes for changes, man-machine-interaction etc.

Realization

Each course occasion's language and form is stated and appear on the course page on Luleå University of Technology's website.

The lecturing will be adapted to the research project in consultation with student and researcher/lecturer.

Examination

If there is a decision on special educational support, in accordance with the Guideline Student's rights and obligations at Luleå University of Technology, an adapted or alternative form of examination can be provided. Written report adapted to the research project, e.g. scientific article, research thesis, research sketch, application for a research project etc.

Unauthorized aids during exams and assessments

If a student, by using unauthorized aids, tries to mislead during an exam or when a study performance is to be assessed, disciplinary measures may be taken. The term "unauthorized aids" refers to aids that the teacher has not previously specified as permissible aids and that may assist in solving the examination task. This means that all aids not specified as permissible are prohibited. The Swedish version has interpretative precedence in the event of a conflict.

Remarks

Supervisor will be appointed depending on the character of the project.

Students must register for the courses themselves, or contact ETKS educational administration eduetks@ltu.se, not later than five days after the quarter commences. Failure to do so can result in the place being lost. This rule also applies to students with a guaranteed place.

Overlap

The course A7004A is equal to ARA112
