First cycle, E0009S

Education level	Grade scale	Subject	Subject group (SCB)
First cycle	G U 3 4 5	Engelska	English

Entry requirements

In order to meet the general entry requirements for first cycle studies you must have successfully completed upper secondary education and documented skills in English language + Swedish upper secondary school course English 6.

Selection

The selection is based on final school grades or Swedish Scholastic Aptitude Test.

Course Aim

After finishing the course, the student will have improved his/her oral and written communication skills in English. The course aims to prepare the student for a working life in which he/she has to manage a number of daily tasks in English.

Contents

Oral communication – public speaking skills, lectures, discussions and presentations. Written communication – reading comprehension, English vocabulary/grammar exercises and writing summaries, letters and reports.

Realization

Each course occasion's language and form is stated and appear on the course page on Luleå University of Technology's website.

The course will be taught through lectures and seminars, but also includes self-study and exercises performed individually as well as in pairs or study groups.

Examination

If there is a decision on special educational support, in accordance with the Guideline Student's rights and obligations at Luleå University of Technology, an adapted or alternative form of examination can be provided.

Active participation in exercises and presentations. The student will have to attend at least 80% of the lectures/seminars and complete the oral and written assignments.

Unauthorized aids during exams and assessments

If a student, by using unauthorized aids, tries to mislead during an exam or when a study performance is to be assessed, disciplinary measures may be taken. The term “unauthorized aids” refers to aids that the teacher has not previously specified as permissible aids and that may assist in solving the examination task. This means that all aids not specified as permissible are prohibited. The Swedish version has interpretative precedence in the event of a conflict.

Overlap

The course E0009S is equal to KSS064
