Realization

Each course occasion's language and form is stated and appear on the course page on Luleå University of Technology's website.

In consultation with the student, an individual arrangement is done of the course's specialisation, repertoire, concerts/artistic productions, presentations and oral and/or written documentations.

Examination

If there is a decision on special educational support, in accordance with the Guideline Student's rights and obligations at Luleå University of Technology, an adapted or alternative form of examination can be provided. Every teaching session constitutes an examined presentation of assigned tasks. The examination of the course takes place in the final presentation.

The tasks presented are determined by the teacher and student together based on the individual planning.

For the grade of Pass (Godkänd), it is expected that the student has carried out and presented the assigned tasks, all in such a way that the intended course learning outcomes are fulfilled.

For the grade of Pass with credit (Väl godkänd), it is expected that the student has fulfilled all requirements for the grade of Pass, and in addition, demonstrated a skill and originality in the musical performance that exceeds what is required for the grade of Pass.

Unauthorized aids during exams and assessments

If a student, by using unauthorized aids, tries to mislead during an exam or when a study performance is to be assessed, disciplinary measures may be taken. The term "unauthorized aids" refers to aids that the teacher has not previously specified as permissible aids and that may assist in solving the examination task. This means that all aids not specified as permissible are prohibited. The Swedish version has interpretative precedence in the event of a conflict.

Remarks

Students must register for the courses themselves, or contact ETKS educational administration eduetks@ltu.se, not later than three days after the quarter commences. Failure to do so can result in the place being lost. This rule also applies to students with a guaranteed place.
