Course Aim

This course aims to provide students with heightened knowledge and comprehension of their role as an orchestra musician.

Upon course completion, the student will be expected to demonstrate:

- Deepened knowledge of classical orchestra repertoire and the skills to study this repertoire alone or in a group
- Enhanced skills in musical interaction and cooperative listening
- Enhanced skills in personal artistic expression and performance in classical music
- Enhanced skills in intonation, timbre, balance, tone creation, rhythm, articulation, and other musical attributes essential to symphony orchestra musicianship
- Enhanced appreciation and understanding of scenic expression
- An understanding of the Symphony Orchestra as a vital part of the cultural life, and a deepened knowledge in Scandinavian classical and contemporary music

Contents

- Rehearsals and concerts
- Sectionals
- Chamber Music
- Individual lessons
- Lectures
- Mock auditions

Realization

Each course occasion's language and form is stated and appear on the course page on Luleå University of Technology's website.

The course is given together with Konserthuset Stockholm/Royal Stockholm Philharmonic Orchestra where students are guided by orchestra members and take part in normal concert productions.

Examination

If there is a decision on special educational support, in accordance with the Guideline Student's rights and obligations at Luleå University of Technology, an adapted or alternative form of examination can be provided. Students are evaluated according to the course description.

The Final examination consists of one mock audition, one orchestra production and one chamber music production. A jury consisting of the examiner and the individual tutors judges the achievements by the student in relation to the aims of the course.

To achieve the grade VG, at least two of the following three criteria must be fulfilled:

- The mock audition section of the examination must be performed at a level consistent with a successful audition to a professional symphony orchestra
- The orchestra production section of the examination must be performed at a level consistent with a successful probationary period in a professional symphony orchestra
- The chamber music production of the examination must be performed at a level consistent with a successful probationary period in a professional symphony orchestra

Remarks

Students must register for the courses themselves, or contact ETKS educational administration eduetks@ltu.se, not later than three days after the quarter commences. Failure to do so can result in the place being lost. This rule also applies to students with a guaranteed place.

Overlap

The course F7053G is equal to F7063G

Literature. Valid from Autumn 2020 Sp 1
