## Course Aim

After the student is examined from this course the student can identify and solve basic juridical problems. The course gives the student fundamental knowledge of legal source materials and the judicial system's structure.

## Contents

In the beginning of the course the student gets an introduction of legal sources and the legal system's framework as well as an introduction to legal problem solving methods. This course gives also an introduction in contract law, credit law, real estate law and tort law.

## Realization

Each course occasion's language and form is stated and appear on the course page on Luleå University of Technology's website.

Instruction consists of lectures and exercises.

## Examination

If there is a decision on special educational support, in accordance with the Guideline Student's rights and obligations at Luleå University of Technology, an adapted or alternative form of examination can be provided. A written examination is given at the close of the course.

## Remarks

Students must register for the courses themselves, or contact ETKS educational administration [eduetks@ltu.se](mailto:eduetks@ltu.se), not later than three days after the quarter commences. Failure to do so can result in the place being lost. This rule also applies to students with a guaranteed place.

Due to similar content, the course can not be included in a degree together with the courses J0003N, J0008N, J0046N or J0030N or other courses with similar content.
