# Commercial Law II 15 credits J0007N

## Handelsrätt II

### First cycle, J0007N

Education level	Grade scale	Subject	Subject group (SCB)
First cycle	U G VG *	Rättsvetenskap	Law and Legal Studies

### Main field of study

Jurisprudence

## Entry requirements

In order to meet the general entry requirements for first cycle studies you must have successfully completed upper secondary education and documented skills in English language and completed the course Legal introduction course (J0046N) 15 credits with at least a passing grade, or equivalent.

## Selection

The selection is based on 1-165 credits.

## Course Aim

The student shall obtain the following abilities: Give an account for the structure and the principles of law of property and contract law. Accomplish competent juridical analysis including the capacity of identifying legal problems and finding solutions within the areas of corporate law, insolvency law, credit law and general property law. Give an account for the general character of the part of the criminal law focusing on economic crimes.

## Contents

The course gives the student a review of general property rights. Additionally, credit law is covered with the primary focus on the most relevant regulations from a property right and contract law perspective as well as floating rate notes (letters of credit) bankruptcy and execution of judgment with an emphasis on both areas connection to property rights theory. This course gives the student insight in the legislation concerning economic associations primarily to illustrate similarities and differences regarding joint-stock companies. Furthermore, the laws surrounding corporations, partnerships and limited partnerships also are covered.

## Realization

Each course occasion's language and form is stated and appear on the course page on Luleå University of Technology's website.

Instruction consists of lectures, seminars and group exercises.

## Examination

If there is a decision on special educational support, in accordance with the Guideline Student's rights and obligations at Luleå University of Technology, an adapted or alternative form of examination can be provided.

Written examination at the conclusion of the course, an oral exam and writing of PM.

## Unauthorized aids during exams and assessments

If a student, by using unauthorized aids, tries to mislead during an exam or when a study performance is to be assessed, disciplinary measures may be taken. The term “unauthorized aids” refers to aids that the teacher has not previously specified as permissible aids and that may assist in solving the examination task. This means that all aids not specified as permissible are prohibited. The Swedish version has interpretative precedence in the event of a conflict.

## Remarks

Students must register for the courses themselves, or contact ETKS educational administration [eduetks@ltu.se](mailto:eduetks@ltu.se), not later than three days after the quarter commences. Failure to do so can result in the place being lost. This rule also applies to students with a guaranteed place.
