# Corporate Social Responsibility, CSR 7.5 credits L0008N

## Corporate Social Responsibility, CSR

### First cycle, L0008N

Education level	Grade scale	Subject	Subject group (SCB)
First cycle	U G#	Miljöledning	Industrial Engineering and Management

## Entry requirements

In order to meet the general entry requirements for first cycle studies you must have successfully completed upper secondary education and documented skills in English language

## Selection

The selection is based on final school grades or Swedish Scholastic Aptitude Test.

## Course Aim

After completion of this course each student shall:

- be able to describe the development of CSR
- be able to describe the different components of CSR
- be able to identify strengths and weaknesses in a company's CSR work

## Contents

Corporate Social Responsibility (CSR) is about the ethics and responsibilities of companies. During the course, concepts, methods and tools within CSR are discussed, such as Sustainable Development, Corporate Citizenship, Business Ethics, Codes of Conduct and ISO 26000. The course relies upon both good and bad examples of how companies work with CSR. The course is appropriate for all with an interest in the ethics and responsibilities of companies, including those actively working with these issues in their professional careers.

## Realization

Each course occasion's language and form is stated and appear on the course page on Luleå University of Technology's website.

The course is Internet based and runs at quarter speed without any gatherings. Learning is achieved by self studies and tutoring through the Internet where examination is continuous.

## Examination

If there is a decision on special educational support, in accordance with the Guideline Student's rights and obligations at Luleå University of Technology, an adapted or alternative form of examination can be provided. Webb based tests and assignments. Alternative examination might exist.

## Unauthorized aids during exams and assessments

If a student, by using unauthorized aids, tries to mislead during an exam or when a study performance is to be assessed, disciplinary measures may be taken. The term "unauthorized aids" refers to aids that the teacher has not previously specified as permissible aids and that may assist in solving the examination task. This means that all aids not specified as permissible are prohibited. The Swedish version has interpretative precedence in the event of a conflict.

## Remarks

Students must register for the courses themselves, or contact the ETKS educational administration [eduetks@ltu.se](mailto:eduetks@ltu.se), not later than three days after the quarter commences. Failure to do so can result in the place being lost. This rule also applies to students with a guaranteed place.
