# Supply Chain Management 7.5 credits M0026N

## Supply Chain Management

### First cycle, M0026N

Education level	Grade scale	Subject	Subject group (SCB)
First cycle	U G VG *	Företagsekonomi	Business Administration

### Main field of study

Business Administration

## Entry requirements

In order to meet the general entry requirements for first cycle studies you must have successfully completed upper secondary education and documented skills in English language and Principles of business administration 30 credits (R0008N Introductory Course Accounting and Control, R0009N Models for Management Control, M0015N Principles of Marketing, O0017N Management of business) and M0024N business strategy 7, 5 credits. Good knowledge in English, equivalent to English 6.

## Selection

The selection is based on 1-165 credits.

## Examiner

Lars Bäckström

## Course Aim

After finishing the course, the student should be able to

- describe and explain what supply chain management involves
- describe and explain how supply chain management can be used in an organization
- describe and analyse the supply chain of an organization

## Contents

- The supply chain management concept
- Drivers and obstacles for supply chains
- Designing a supply chain

## Realization

Each course occasion's language and form is stated and appear on the course page on Luleå University of Technology's website.

Lectures, seminars, case studies, and group work.

## Examination

If there is a decision on special educational support, in accordance with the Guideline Student's rights and obligations at Luleå University of Technology, an adapted or alternative form of examination can be provided. In a written test, the student should demonstrate ability to:

- describe and explain what supply chain management involves

In case studies and project work, the student should demonstrate ability to

- describe and explain how supply chain management can be used in an organization
- describe and analyse the supply chain of an organization

Presence during compulsory sessions is required.

Results from all parts of the examination are weighted together for the final course grade (U/G/VG).

## Remarks

Students must register for the courses themselves, or contact ETKS educational administration [eduetks@ltu.se](mailto:eduetks@ltu.se), not later than three days after the quarter commences. Failure to do so can result in the place being lost. This rule also applies to students with a guaranteed place.
