In order to meet the general entry requirements for first cycle studies you must have successfully completed upper secondary education and documented skills in English language and Knowledge equivalent to:

O0055H Fundamental principles in nursing 7.5 credits

O0047H Nursing: Health 7.5 credits

A0018H Psychology in position to Nursing 7.5 credits

## Selection

The selection is based on 1-165 credits.

## Examiner

Päivi Juuso

## Course Aim

The student should, on completion of the course, with an ethical approach, be able to:

- explain and motivate the importance of communication in the nurse's teaching role
- identify and describe key concepts in nurse's educational assignment and their importance when meeting people with illness and their relatives
- describe and compare different communication models and their importance for dialogue with people with illness based on gender, age and cultural aspects
- explain and evaluate educational theories of significance for patients' learning
- identify possibilities and risks of the use of information and communication technology in nursing
- plan and carry out patient education with a person-centred approach
- explain laws and regulations with a focus on respect, integrity and participation

## Contents

- Communication theories and models
- Educational theories
- Learning processes
- Response and participation
- Interview techniques
- Patient education
- Information and communication technology in nursing
- Current laws and regulations

## Realization

Each course occasion's language and form is stated and appear on the course page on Luleå University of Technology's website.

Individual written examination, report, seminar and assignment. Grading criteria for Pass and Pass with distinction are stated in the study guide.

## Examination

If there is a decision on special educational support, in accordance with the Guideline Student's rights and obligations at Luleå University of Technology, an adapted or alternative form of examination can be provided.

Individual written examination, report and seminar. Grading criteria for Pass and Pass with distinction are stated in the study guide.

## Remarks

The course is given for first-cycle studies in the nursing programme. Study supervision is provided in the course room in Canvas.

## Overlap

The course O0082H is equal to O0068H

The course replaces O0068H (Nurse-client interaction).
