Swedish for International Students 1 3 credits S0046P

Svenska för internationella studenter 1

Course syllabus admitted: Autumn 2023 Sp 1 - Present

**DECISION DATE
2022-02-11**

Swedish for International Students 1 3 credits S0046P

Svenska för internationella studenter 1

First cycle, S0046P

Education level	Grade scale	Subject	Subject group (SCB)
First cycle	G U 3 4 5	Svenska	Swedish/Scandinavian Languages

Entry requirements

In order to meet the general entry requirements for first cycle studies you must have successfully completed upper secondary education and have documented skills in English language. Exemption for Swedish A and B / Swedish 1-3. +

Swedish upper secondary school course English 6.

Selection

The selection is based on final school grades or Swedish Scholastic Aptitude Test.

Course Aim

After finished course, the student is to have gained basic language skills. The student must:

- handle everyday language situations so that the student can present themselves and their background in Swedish
- be able to read and understand simple Swedish texts
- be able to make use of basic knowledge about the structure of the Swedish language

Contents

The course includes:

- basic vocabulary, phrases and grammar such as word order of principal clauses, the present tense and pronouns.
- basic vocabulary
- time expressions
- pronunciation training
- listening comprehension
- basic everyday phrases

Realization

Each course occasion's language and form is stated and appear on the course page on Luleå University of Technology's website.

Teaching and learning is done by short walkthroughs and practical exercises designed to make the student try and develop their abilities in Swedish. The student must:

- be able to recount everyday events both in speech and in writing
- perform oral and written assignments both individually and in groups
- perform listening comprehension exercises
- acquire knowledge of basic grammar
- perform reading comprehension exercises

Active participation during lessons as well as home studies are a requirement for the student to attain the knowledge required for a passing grade.

Examination

If there is a decision on special educational support, in accordance with the Guideline Student's rights and obligations at Luleå University of Technology, an adapted or alternative form of examination can be provided. Written examination.

Unauthorized aids during exams and assessments

If a student, by using unauthorized aids, tries to mislead during an exam or when a study performance is to be assessed, disciplinary measures may be taken. The term "unauthorized aids" refers to aids that the teacher has not previously specified as permissible aids and that may assist in solving the examination task. This means that all aids not specified as permissible are prohibited. The Swedish version has interpretative precedence in the event of a conflict.

Overlap

The course S0046P is equal to SX008S
