There are two different versions of the above book, the USA version and the International version. The USA version is more expensive, but if you live in the USA, that may be the only one you can purchase. The other version is the less expensive International version, so you can purchase either version:

USA Version: (published on August 7, 2016)
ISBN-10: 013452733X
ISBN-13: 978-0134527338

International Version: (published on December 5th, 2016)
ISBN-10: 1292154853
ISBN-13: 978-1292154855
