

COURSE LITERATURE

Measurement systems: design, modeling and computational methods 7.5 credits S7013E

Mätsystem: design, modellering och beräkningsmetoder

Course literature admitted: Spring 2022 Sp 4 - Present

**DECISION DATE
2022-01-14**

Title: Measurement Systems Engineering: Design, Modeling and Computational Methods

Author: J. E. Carlson

Publisher: JEC Engineering and Media Production, 2022, 2nd edition.

Examiner

Johan Carlson
