

COURSE LITERATURE

Materials Technology and Materials Selection 7.5 credits T0003T

Materialteknik och materialval

Course literature admitted: Spring 2021 Sp 4 - Spring 2024 Sp 4

**DECISION DATE
2021-01-15**

Callister, W.D. Material Science and Engineering.
Varna, J. Composite Materials
Richerson, D. Modern Ceramic Engineering
Introduction to Powder Metallurgy, EPMA.
Metal Injection Moulding, EPMA.
Materialvalsmetodik, Esa Vuorinen.
Birley et al, Physics of Plastics, Processing, Properties and Materials Engineering

Examiner

Patrik Fernberg
