

COURSE LITERATURE

Rock Engineering and Rock Mechanics 7.5 credits T0013B

Berganläggningsteknik

Course literature admitted: Spring 2022 Sp 3 - Present

**DECISION DATE
2021-04-20**

Bergmekanikens grunder, Nordlund et.al

For this course less than 50% of Bergmekanikens grunder will be used and there will be a shorter version available, covering the course. However, the complete book will also be available, required for coming courses within the subject.

Examiner

Lars-Olof Dahlström
